Janie is a native of Hong Kong and she came to Christ in 1975 as well. She has a degree in Hotel and Restaurant Management from Cal Poly University, Pomona. She married Andy and joined the staff of Campus Crusade for Christ in 1987. They have a daughter, Priscilla (19) and a son, Shawn (13).

Andy & Janie have been involved in sharing Christ and making disciples on university campuses in the U.S. and China. Since 2001, Andy has been part of Campus Crusade for Christ's initiative to use the Internet to reach people for Christ. Currently, Andy is part of an effort to specifically target college students world-wide, through a strategy based upon the EveryStudent.com website.

The EveryStudent.com strategy seeks to present the gospel to university students through web-based articles on life issues ranging from the existence of God to sex, love, binge drinking, etc. The site has been translated into more than 21 languages. During the 2007-2008 school year, the EveryStudent.com strategy resulted in 6,938,005 web visits and 128,661 indicated decisions for Christ world-wide. For those who respond, we provide opportunities to be followed-up and discipled. Andy's responsibilities involve following up contacts from the website, planning for effectiveness and giving leadership to the expansion of the strategy among our associate Campus Crusade for Christ ministries across Asia (from Korea to India).
