### **Genesis 12-13**

Introduction: We think we know better.

Genesis 12-13

1. Leave his father
2. Leave his relatives
3. Leave his country
4. And go to the place God was leading him to

Lot was his escape hatch – his Plan B.

I. It's \_\_\_\_\_ Way or the Highway

It was not up for negotiation, modification or additions.

What Abraham was thinking?

Are you and I guilty of the same thing?

II. Plan B – Evidence of Our \_\_\_\_\_ of \_\_\_\_\_

Abraham could imagine the goal, but not the \_\_\_\_\_  
to get there – so he came up with his own.

What is your Plan B?

The result – DISASTER!

III. Let It Go!!!!

Abraham had to come to a point where he was willing to  
let Lot go.

What do you need to let go? What does God have to do in  
your life before you will let it go and do it His way?

God is waiting for you and I to \_\_\_\_\_ !
