

Fourth Man in the Furnace

Daniel 3

(Fill-ins and additional powerpoint questions)

Three lessons:

1. These three men chose death over worshipping idols.

2. God decided to deliver them in the furnace, not from it.

*The place where full devotion can lead you, that looks scary and dangerous and maybe even the end, turns out to be where Jesus is and is the safest place of all.

3. God also calls us to a dangerous life because he has something better for us.

Isaiah 43:2, "... When you walk through the fire, you will not be burned; the flames will not set you ablaze." (NIV)

Questions:

1. Have you committed your life to Christ?
2. Where are you serving in this local church in 2008?
3. How can you live dangerously for Christ in 2008?
